# PADI OPEN WATER DIVER

## BE A PADI OPEN WATER DIVER – LEARN SOMETHING YOU’LL ENJOY FOR THE REST OF YOUR LIFE

If you’ve an appetite for excitement and adventure read on:

There are 3 simple steps to becoming a PADI Open Water Diver which is your ticket to dive!

1. Get the knowledge – Knowledge development sessions teach you the crucial things divers need to know.
2. Pool or confined water dives – You’ll develop key practical scuba skills in a pool or pool-like conditions.
3. The Open Water dives – put your knowledge and skills into practice in the open water with your PADI Instructor.
